

Lynn Hassan Jones, MD

1508 Wyndemere Point Dr. | Champaign, IL 61822 | (651) 592-6668 | 1LHJ.business@gmail.com

Board Certified Radiologist

Efficient and accurate Radiologist (MRI, CT, X-ray, Nuc Med) for large and small practices, Level 1 trauma centers, and teleradiology groups. Fellowship-trained. ABR certified and licensed with specialization in MSK MRI, joint therapeutic and diagnostic injections. *Differentiators:*

- **Experienced:** Extensive experience in reading/interpreting images. Previously performing light interventions such as CT-guided body (liver, lung, skin) biopsies, abscess drainage procedures, including thoracentesis and paracentesis, and myelograms.
- **Efficiency:** Ranked in top 2 in group for Relative Value Units (RVUs) across all modalities.
- **Accuracy:** Produced 94-98% MRI sensitivity for complete medial meniscal and complete ACL tears as proven by surgical correlation.
- **Leadership:** Supervised and trained staffs and continually improved practice operations in leadership roles such as Medical Director, MRI Co-Director and Operations Committee member.
- **Teamwork:** Known by colleagues and supervisors as even-tempered, particularly under pressure; accessible; easily approachable; and ready and willing to support team and organizational goals.

Education & Credentials

M.D. – University of Minnesota Medical School, Minneapolis, MN

B.A., Biology – Macalester College, St. Paul, MN

Diagnostic Radiology Residency – Cook County Hospital, Chicago, IL

Musculoskeletal MRI Fellowship & Clinical Instructor – Tulane University Medical Center, New Orleans, LA

Licenses/Certification:

- Board certification: American Board of Radiology (since 1994)
- Active licenses: IL, MN, KY, ME
- Past licenses: AZ, FL, IA, LA, MO, ND, NM, NJ, NY, OH, OK, PA, WI

Continuing Education: 150 CMEs since 2016

Experience & Accomplishments

ASSOCIATE TO THE CHANCELLOR – UNIVERSITY ILLINOIS- CHAMPAIGN/URBANA (2016-Present)

RADIOLOGIST, iSYTE PLLC -LOCUM TENENS -PART-TIME (2018 to Present)

RADIOLOGIST, MRI/MSK | CO-DIRECTOR, MRI | SHAREHOLDER (2008 to 2018)

Mankato Clinic, Ltd., Mankato, MN

Physician-owned private practice with 120 providers.

Held a leadership role in a 7-person Radiology department; scope included interpreting MRI MSK (60-75%) and CT, US, PET-CT, fluoroscopy and plain films (30-40%). Served as Co-Director of MRI practice; managed administrative matters and structured/documented policies, procedures, schedules, and sequences. Physician Credential Lead for American College of Radiology (ACR) accreditation in MRIs, CTs and Nuclear Medicine. MRI interpretations included musculoskeletal, brain, spine.

- **Achieved high accuracy rate per Ortho Operative Report Correlation over 10 years;** examples include MRI Knee medial meniscal tears (90-97% sensitivity and specificity), ACL complete tears (98-100% sensitivity), and MRI Shoulder rotator full cuff tears (97% sensitivity).
- **Maintained American College Radiology department credentialing MRI, CT and Nuclear Medicine department accreditations for 10 years.**

- **Reduced costs by developing and streamlining MRI MSK protocols that improved imaging efficiency without sacrificing quality.**
- **Instituted and/or participated in monthly and quarterly Radiology Conference Reviews and MRI/Ortho Case Reviews.**
- **Managed new EMR installation from evaluation through implementation and user training.**

RADIOLOGIST & MEDICAL DIRECTOR - GENERAL & MSK/MRI (2007 to 2008)

Phoenix Diagnostic Imaging/PDI, Phoenix, AZ

Private practice outpatient/OP CT and MRI imaging center with 6-7 OP clinics.

Served as Medical Director with responsibility for efficient administration of the Scottsdale, AZ branch while also interpreting 40-60 images per day. Supervised staff of 10.

CONSULTING RADIOLOGIST | PARTNER | OPERATIONS COMMITTEE MEMBER (1994 to 2006)

Consulting Radiologists, Ltd., Minneapolis, MN

Private practice group of 60 radiologists providing onsite and remote radiology services to 35 hospitals, including a Level 1 trauma center.

Initially hired as a Radiologist, General/MSK/MR,I at Lake Region Radiology, which was acquired by Consulting Radiologists, Ltd. Served 5 hospitals and interpreted all modalities, including CTs, MRIs, fluroscopy, x-rays, mammograms, and nuclear medicine, performed ultrasound and CT-guided interventions (biopsies, drainages and injections). As Operations Committee member, evaluated hospital procedures, schedules, workflows, and data to improve efficiency and solve problems.

- Ranked in top 1-2 for volume/Relative Value Units (RVUs) within subgroup while maintaining high accuracy rating.
- Selected as beta tester for voice dictation and early AI software.
- Recruited as University of Minnesota Medical School Admissions Committee for 3 years, as well as on the Scholarship and Interview committees integral to seating the admitting classes of medical students at University of Minnesota (2001 – 2006).

Part-time/Intermittent Radiology Assignments:

RADIOLOGIST, MSK/MRI – Community Care Physicians/Albany Medical Center, Albany, NY (2014 – 2016)
Multispecialty with 9 MSK Radiologist in group serving an 1100-bed trauma 1 medical center.

RADIOLOGIST GENERAL/MSK/MRI – Virtual Radiologic Corporation (VRC), now MEDNAX, Eden Prairie, MN (2012 – 2013). *Teleradiology company with 600 independent radiologists.*

RADIOLOGIST, GENERAL/MSK/MRI – Desert Valley Radiology, Phoenix, AZ (2006 – 2007)
12-member (at the time), radiologist-owned private practice.

Memberships | Boards | Committees

American College of Radiology (ACR)

Radiologic Society of North America (RSNA)

Minnesota Radiologic Society (MRS)

Minnesota Medical Association (MMA)

- Health Equity Advisory Council (2016 – Present) – Evaluate trends in MN healthcare and advise the MMA on ways to improve health equity across the state.
- Health Disparities Committee Member (2015 – Present) – Using MNMCM data, discuss and develop recommendations for closing certain Health Disparities.

Minnesota Community Measurement (MNCM)

- Board of Directors Member (2016 – 2017) – fiduciary and directional oversight for an agency started by 3 large state insurers and State of MN to statistically evaluate measurable health outcomes/practices.

Arizona Radiological Society (ARS)

- Board of Directors, Education Committee Chair (2007 – 2008)

Presenter at local and national Radiology conferences
