

Special Compute Resource Information

The DTI team will update this page when information about these resources becomes available and policies surrounding their use for the DTI are clear.

Blue Waters

Details to come; please contact help@c3dti.ai for assistance.

NERSC

Details to come; please contact help@c3dti.ai for assistance.

Azure

Microsoft provides a generous (but limited) annual gift of Azure credits to help support C3.ai DTI-sponsored research.

Please see [this separate page](#) regarding C3.ai DTI Azure use.
