

Members of CSND participate in 3rd SFSCon in Pomona, CA

On September 27-29, CSND's Jim Basney and John Zage participated in [SFSCon](#) 2019, the third annual cybersecurity training and professional development event at Cal Poly Pomona (CPP) for the CyberCorps Scholarship for Service ([SFS](#)) students and alumni nationwide. 105 student attendees traveled to California from 42 universities across the country for this event. Jim and John provided an [Identity and Access Management](#) training, using materials developed by [Trusted CI](#). Jim also served on a cybersecurity career panel to discuss job opportunities (see [NCSA Careers](#) for our current openings). NCSA was a [sponsor](#) of the event.
