Call for proposals

Please read the call for proposals, available at https://c3dti.ai/research/ai-for-cybersecurity-and-critical-infrastructure/

Note:

- Deadline: February 7, 2022
- Submit in EasyChair, preferably using the proposal template
- Provide list of recommended reviewers (with email address) in EasyChair (observe standard COI rules)
- Budget should not have any indirect costs, and include only one budget for the entire team
- PI must be at one of the seven member institutions, but Co-PIs can be at any institution worldwide
- PI and Co-PIs will be invited to join the PC and be expected to review 2-3 proposals – there is no conflict with submitting and reviewing (and we need reviewers)
- Please contact Tandy, Srikant or Jay Roloff if you would like to discuss your proposal before you submit
- Awards will be announced in March 2022
