DTI Office Hours

2021-2023 Schedule

These are sessions open to any DTI researchers, there is no need to previously schedule it or contact DTI.

DTI DevOps staff will be there to help you with any questions you may have about computational resources.

Office Hours are held every Tuesday, at 12 PM ET / 9 AM PT, via Zoom. Access them through this link.

For your convenience, you can also download the following .ics file with these sessions through June-2023:

meeting-81346993051 2022-2023.ics

2020-2021 Schedule

Office hours will typically consist of one or two 1-hour sessions each week, and start with a 15-minute demo given by C3 AI Solutions Engineer Armaan Butt. They are followed by an open 45-minute Q&A session.

Office hours will be held on Zoom and are accessible via this Zoom link (removed).

Check this page for an up-to-date schedule of the DTI Office Hours and demo topics for each event.
