Access NCSA Google Drive @illinois through Globus

NOTE: A Globus "Collection" in the new Globus Connect Server v5 (GCSv5) is what has previously been referred to as an "endpoint".

- 1. Logon to https://globus.org
- 2. Select 'File Manager' from the left navigation bar
 - a. In the collection search, search for 'NCSA Google Drive @illinois' and select

		saren, eearen reer, eeegre Erne Similere ana eereet		
gr.	Introducing Timers – you can now set a transfer option to schedule and repeat transfer tasks. Learn more about Tir

3. When presented with 'Authentication/Consent Required' message, select 'Continue'.

globus

Identity Required

An identity from one of the following identity providers is required to continue.

Please select the identity or identity provider to continue:

- yournetid@illinois.edu
- Link an identity from University of Illinois at Urbana-Champaign (illinois.edu)

5. 'Allow' the Globus Web App required consents:

🕑 globus	Account 🝷
Globus Web App would like to:	
Manage collections on NCSA Taiga Endpoint (j)	
Manage your data on NCSA Google Drive @illinois (j)	
\bigcirc Manage data using Globus Transfer (j)	
To work, the above will need to: \checkmark	
By clicking "Allow", you allow Globus Web App , in accordance with its terms of service ② and privacy policy ② , to use the above listed information and services. You can rescind this and other consents ② at any time.	
Allow	

6. Select 'Continue' on the 'Authentication Required' message dialogue. (This message may be slightly different depending on whether you've allowed Globus to access Google previously).

9. This will bring up a 'Sign in with Google' dialogue. Select the appropriate Google (illinois.edu) account.

11. Access your Google Drive.
