

Mark Van Moer's Home

About Me (Mark Van Moer)

Senior Visualization Programmer in the Data Analysis and Visualization group. At NCSA since 2008. First programming experience, Commodore 64 BASIC in about 1982 or 1983. Interests in computer graphics, sci vis, and info vis.

These are where I keep notes which don't fit under the Blue Waters JIRA nor under the DAV wikispace.
