

2018-07-25 Meeting Notes

Date

Jul 25, 2018

Attendees

- Melissa Cragin
- Karen Bramow
- Jodi Stern (sub Inna Kouper)
- Alice Delage

Agenda

- Info “push” on Big Data meeting at MO S&T
- Steering Committee updates
- Will be launching blog in next couple of weeks – would love to have a post by someone on your campus around Data Science / Big Data – especially around MNDH Priority areas (Smart, Connected, & Resilient Communities; Materials & Manufacturing; Transportation; Unmanned systems / sensors / robotics / IoT; Data infrastructure; Data Science Education and Workforce; DigAg / Food / Water).
- Updates from your campuses

Discussion Items
