

James Eyrich gives May's NCSA security talk

Security Operations Manager James Eyrich gave the second of a series of security talks to NCSA staff today. The presentation focused on instructions for setting up NCSA [DUO](#) and [LastPass](#) accounts. The presentation also included a demonstration from Innovative Technology Services's Tim Dudek on how to reset your [NCSA password](#). Slides, including step-by-step instructions for setting up DUO and LastPass, are available in PDF below.
