

Status Report November 6, 2009

Work Completed

- Attended CET Staff Meeting
- Attended Staff Planning Discussion with Jim Myers and Jonathan Howell
- Looked over initial statement of work for KISTI project. This work will continue in the coming week to flesh out a complete statement of work.
- Worked on Data Catalog - I'm continuing to work on the details of going from a generic shapefile to a bridge dataset in the new DC.

Work Planned

- CET Staff Meeting Tuesday November 3, 11 am
- KISTI Statement of Work
- Work on data catalog

Comments

I took a personal day on Friday November 6, 2009. This week went as planned.
